**Rimless toilets**

Rimless technology provides a full, powerful flush for the entire toilet bowl reducing limescale and bacteria build-up.

**Comfort height toilets**

These toilets are ideal for taller people or those with mobility issues.

### Boat grey - double ended bath

1770mm      1770(l) x 785(w) x 740(h)      Grey      SY-FSB310HG-A      €

The colour of the Boat Grey matches the finish of the Henbury furniture collection.

## Colours

Additional to the standard white or Henbury grey, the Boat freestanding bath, shown on page 94, can be spray coated with a coloured finish at an additional cost. There are five selected standard colours as shown directly below with the option to pick from a broader palette of fifteen additional contemporary colours as well.

The price to add any of the colours on this page is £599.00 plus the price of the bath.

Hick's blue (HB)

Dark lead (DL)

Joanna (JO)

Goblin green (GG)

Slate grey (SG)

Please note: Due to the constraints of the printing process, actual colours may vary from those shown here.

## Stella black bath screen

- Black profile
- Reversible
- 10mm profile adjustment
- 6mm glass

800 x 1400

SY-VOD93

€484.00

Bath screens should be fitted towards the inside ledge of the bath for better water retention.

### Ralus 6 Radius bath screen

Extended (no rail)	1000 x 1400	2381500SQEXTBB-Q	€255.00

Bath screens should be fitted towards the inside ledge of the bath for better water retention.

Traditional MDF

**What material is Halite made of?**

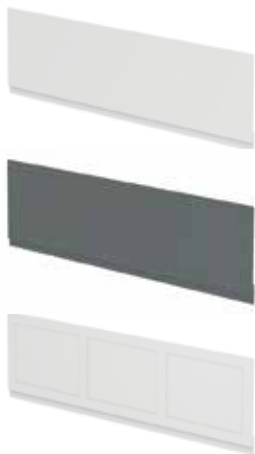

Halite panels are constructed from a top quality UV stable expanded vinyl material known as Foamboard. High density PVC board is rigid and durable whilst still being lightweight and flexible.

PVC board is used for a variety of applications, one of the most popular being outdoor shop signage. This is due to it withstanding all of the elements but still remaining in good condition.

**Advantages of Halite over other types of bath panels**

- Halite is made with a combination of PVC and polyurea.
- Halite is 100% water resistant
- Halite will not crack or warp in wet or steamy environments.
- Halite is considerably more rigid than acrylic.
- Halite is completely formaldehyde free and is recyclable which means it is more eco-friendly.
- The lifespan of Halite bath panels is considerably more than that of MDF bath panels.
- Halite is lighter and easier to cut than MDF.

**Halite front panels 18mm thick**

1500mm front panel with plinth	1500(l) x 480-550mm max(h)	White plain	237BPM1500-W	€141.00
