Rimless toilets

Rimless technology provides a full, powerful flush for the entire toilet bowl reducing limescale and bacteria build-up.

Comfort height toilets

These toilets are ideal for taller people or those with mobility issues.

EXCLUDES INTEGRAL WASTE AND OVERFLOW

Boat grey - double ended bath

1770mm 1770(l) x 785(w) x 740(h) Grey SY-FSB310HG-A £1,895.00

The colour of the Boat Grey matches the finish of the Henbury furniture collection.

Colours

Additional to the standard white or Henbury grey, the Boat freestanding bath, shown on page 94, can be spray coated with a coloured finish at an additional cost. There are five selected standard colours as shown directly below with the option to pick from a broader palette of fifteen additional contemporary colours as well.

The price to add any of the colours on this page is £599.00 plus the price of the bath.

Hick's blue (HB)

Dark lead (DL)

Joanna (JO)

Goblin green (GG)

Slate grey (SG)

Please note: Due to the constraints of the printing process, actual colours may vary from those shown here.

Bath screens should be fitted towards the inside ledge of the bath for better water retention.

Traditional MDF

What material is Halite made of?

Halite panels are constructed from a top quality UV stable expanded vinyl material known as Foamboard. High density PVC board is rigid and durable whilst still being lightweight and flexible.

PVC board is used for a variety of applications, one of the most popular being outdoor shop signage. This is due to it withstanding all of the elements but still remaining in good condition.

Advantages of Halite over other types of bath panels

- Halite is made with a combination of PVC and polyurea.
- Halite is 100% water resistant
- Halite will not crack or warp in wet or steamy environments.
- Halite is considerably more rigid than acrylic.
- Halite is completely formaldehyde free and is recyclable which means it is more eco-friendly.
- The lifespan of Halite bath panels is considerably more than that of MDF bath panels.
- Halite is lighter and easier to cut than MDF.

Halite front panels 18mm thick

1500mm front panel with plinth	1500(l) x 480-550mm max(h)	White plain	237BPM1500-W	£117.00
